## Kindergarten Readiness Camp

Kindergarten Readiness Camp is a Preschool to Kindergarten summer camp designed to prepare little ones for a smooth transition to Aspen View Academy Full Day Kindergarten. This can be an exciting and possibly a bit of a scary time for your students transitioning to Kindergarten. This camp was designed to help acclimate incoming Kinder students to develop confidence and familiarity as they prepare for a new school year at Aspen View in the Fall. Kindergarten Readiness Camp will provide a place for children to meet future classmates and future teachers in a fun and safe environment.

Two sessions of this camp will run from June 10-14 and June 17-21, 2019. Please have your child join us for one **OR** both weeks. Each week will have a different theme, new activities and licensed Aspen View Academy Full Day Kindergarten teachers. Our week long camps will be filled with mornings of station time, gross motor fun in our gym, art, music and movement and becoming familiarized with our building. The cost for each week is \$150 per child and will run from 8:30-11:00 a.m., Monday through Friday. There is a minimum of 15 students each week for camp to run. We are looking forward to spending a fun week with your child and getting them excited about starting school in the Fall!
