Our Mission

Aspen View Academy will succeed through academic excellence in a challenging and stimulating learning environment that emphasizes math, technology and language arts, enabling our students to become critical thinkers, responsible citizens, strong community members and future leaders.

Our Vision

We recognize that an education is incomplete without fostering the arts, sports, nature, and character. Together, with our students, faculty, parents and community, we will develop civic and personal responsibility, intellectual passion, and differentiated instruction in a safe, orderly, balanced and nurturing environment.

From the Aspen View Academy Metapolicy:

Upon a two-thirds (2/3) vote of the directors present at a regular or special meeting called for that purpose, an emergency may be declared. If an emergency is declared, a policy may be adopted on first reading.
