Dress of Choice Guidelines

On the last (school day) Friday of each month, students who have not lost the privilege are invited to participate in a dress of choice day. Students may wear clothes of their choice as long as they follow AVA Dress of Choice Guidelines. This is intended to be an optional, fun opportunity though uniform clothes are also always permitted. Students must still be neat, clean and modest. AVA staff determines if these expectations are met. If this is not honored, students may be required to change before continuing with that day’s learning.

If a student has received two or more Uniform Policy violations or five or more tardies in a month, they will lose the privilege of dress of choice day and will be required to wear their school uniform.
