1 OUR MISSION & VISION

Our Mission

Aspen View Academy will succeed through academic excellence in a challenging and stimulating learning environment that emphasizes math, technology and language arts, enabling our students to become critical thinkers, responsible citizens, strong community members and future leaders.

Our Vision

We recognize that an education is incomplete without fostering the arts, sports, nature, and character. Together, with our students, faculty, parents and community, we will develop civic and personal responsibility, intellectual passion, and differentiated instruction in a safe, orderly, balanced and nurturing environment.

2 PURPOSE

For the 2020-21 academic year, student contact days may include eLearning days implemented as a result of public health and safety measures.

If the school is closed due to an emergency or other unforeseen circumstance which results in student-teacher contact time being reduced below the minimum hours/minutes allowed by state law and provided for in the calendar, the principal shall adjust the calendar to make up for the lost time. Notification, by email, shall be made to DCSD on the dates that the school closed and include the planned make-up dates.

It is the expectation of the AVA Governing Board that by October the school principal will annually develop a calendar for final adoption for the upcoming school year.

The school calendar should reflect no less than 160 days as specified in state law unless annually requested by the school and approved by the state.

The school calendar shall include the dates for all professional development programs scheduled for the upcoming school year. A copy of the calendar shall be available to all parents/guardians of students enrolled in Aspen View Academy.

This calendar can be viewed on the Aspen View Academy Website (www.aspenviewacademy.org)

Any change in the calendar, excluding emergency closings or other unforeseen circumstances, shall be preceded by adequate and timely notice. Each time a
